

Number : HW006
 Subject : Baud Rate Master CPU PCB
 Date : 1980-08-21

The baud rate on the master CPU of the type with a slide switch is maximum 1200 baud.

The maximum baud which may be used is 2400. Should this higher baud be required the following modification should be carried out.

Remove (cut) jumper from point A fig. 1 to E14
 Add a wire from E15/06 to point A fig. 1

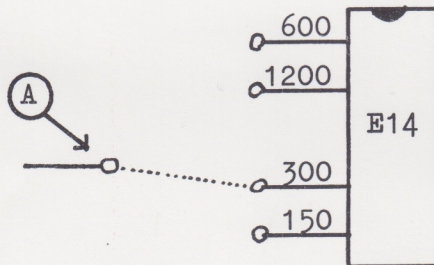

fig. 1
